

Barley Beef + Biosprint (Non GM)

**East Coast
Viners**
*Animal
Nutrition*

A high energy blend for ad-lib feeding of Bull Beef with straw for forage or even on slats. Formulated for maximising daily liveweight gain, optimising killing out and carcass conformation. Fortified with the vitamins and trace elements necessary for productive finishing. Contains Biosprint live yeast which increases feed conversion and daily live weight gain. Do not feed to sheep.
