A very high energy compound feed, suitable for feeding through automatic feeders. Feed to high yielding cows along with grass as part of a balanced diet. Do not feed to sheep. For full advice contact ECV Animal Nutrition.

Analysis

Oil	Protein	Fibre	Ash
4.9	20	6.0	6.8

All our feeds use only quality, properly researched, ingredients at meaningful levels. Our Dairy cakes are formulated to sustain high yields, good herd health and maintain fertility as part of a balanced diet.

Includes Biotin & Vitamin B12 for improved metabolism & better hoof condition

Qualities of Feed

Essential minerals / vitamins / trace elements (including vitamin B12): (supplies everything from cobalt to Iodine)

- High herd health
- Improved fertility

Selenium, copper, zinc

- Lower cell counts
- Better hoof condition

High quality protein

- Balances grass
- Improved milk production

Very high energy

- Helps maintain cow condition
- Sustain high yields
- Boosts milk quality

Contains Megalac

- Boosts energy supply to high yielding cows

Excellent physical quality:

- For accurate feeding through automatic feeders

BENEFIT

Containing GM2 soya, produced from genetically modified soya

ECV Hallmark Gold has all you would expect in a top quality dairy cake. Like all our compound feeds it contains only the best ingredients (including Amino Green and Megalac), coupled with our top quality dairy trace element package and no fillers.
